# Fortunato Collection Specifications & Options

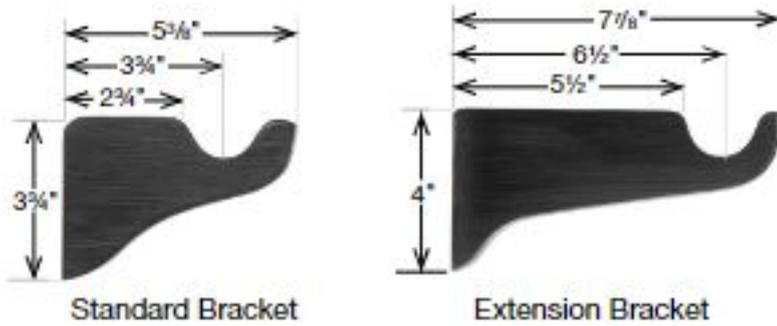

## Fortunato Sets

Fortunato Poles are custom cut to the exact size ordered and come complete with the pole, finials, brackets and screws.

Poles, finials and brackets may also be purchased separately.

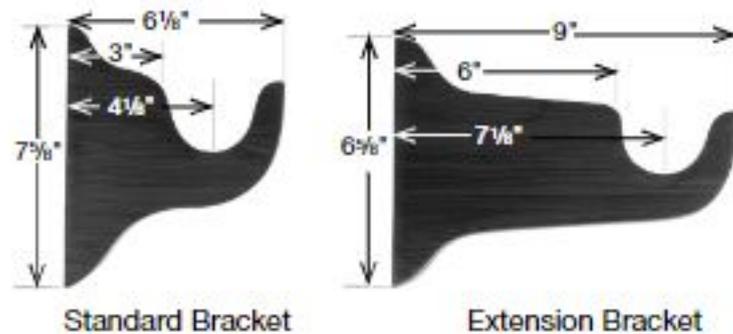

## 1 3/8" Bracket Sizes

Each set includes standard brackets. Extension brackets may be substituted at the surcharge in the price list.

## 2" Bracket Sizes

Each set includes standard brackets. Extension brackets may be substituted at the surcharge in the price list.

## Bracket Counts

Each set comes with the following number of brackets based on width. Additional brackets are available.

Widths (inches)	# of Brackets
48	2
72	3
96	4
144	5
192	7

## Construction Information

The poles, rings and brackets are made from poplar wood. The finials and tie-backs are resin casts of hand-carved wooden originals.

## Spliced Rods

All rods over 96" will come as two pieces with a splice. The splice will be at the center of the pole and is concealed and supported by the center bracket.

## Accessories

- Rings, holdbacks and adjustable corner connectors are priced per item and ordered separately from the sets
- Firenze and Trieste holdbacks include adjustable brackets that allow projections from 2 7/8" to 4"
- Wood Rings with brass clips attached are available upon request. Please specify when ordering

## Finial Specifications

1 3/8" Finial Specifications		
Style	Width (inches)	Height (inches)
Alassio	5 1/4	2 3/4
Bergamo	3 3/4	2

Misslone	3 3/4	3 3/4
Napoli	5 1/2	2 3/4
Rimini	5	3
Tondo	4 3/4	3 1/2
Vittoria	3 3/4	3 1/2

# Fortunato Decorative Traverse Rods Specifications & Options

## Decorative Traverse Rods

Horizons Decorative Traverse Rods are drapery traverse rods with a decorative 2" wood fascia attached. They are custom cut to the exact size ordered and include a single or double traverse rod, finials, returns, end caps, brackets and screws.

Size Limitations	
Maximum Width (inches)	188
Maximum Width without Decorative Splice (inches)	92
Minimum Width (inches)	30

**NOTE:** The ordered width of the Decorative Traverse Rod should equal the drapery width. See Return or Finial sections on this page to determine the actual rod width.

## Spliced Rods

All rods over 92" are constructed as two pieces with a ¾" capped decorative splice.

**NOTE:** If smaller rods are mounted in the same room, a decorative splice may be ordered to match the larger rod's appearance at no extra charge.

## Inside Mount Deductions

The workroom will deduct ¼" from the width of the decorative traverse rod when mounted between two walls. The ends of the rod will include ¾" color-coordinating wood caps.

## Wall Mount Only

Decorative Traverse Rods are not available as ceiling mounts and require 1 7/8" of mounting surface above the window opening.

## Pin Settings

Recommended Pin Settings for Draperies with a Decorative Traverse Rod:

Rod Type	Returns (inches)
Single Traverse Rod	½
Double Traverse Rod (over)	½
Double Traverse Rod (under)	1 ½

## Double Traverse Rods

When a double Traverse rod is ordered, only the front rod will be covered with the decorative fascia. There is no extra charge for a double rod.

## Under Treatments

We recommend the Pinch Pleat style for the under treatment when ordering a double Decorative Traverse Rod. Indicate on the Drapery order form that the drape is an under treatment. The workroom will adjust the height so the under treatment covers the back rod and is ½" shorter than the front drape (or over treatment).

## Dust Cover

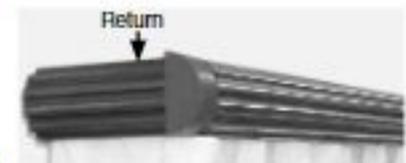

Horizons Decorative Traverse Rods are constructed with a 3" color coordinated dust cap.

## Returns

Returns with color-coordinating ¾" wood caps are available in place of finials at no extra charge.

Recommended Return Sizes for Draperies with a Decorative Traverse Rod:

Rod Type	Returns (inches)
Single Traverse Rod	3 ½
Double Traverse Rod (over)	6
Double Traverse Rod (under)	1

## Projection

Standard projections (from wall to face of the rod) for Decorative Traverse Rods are:

Rod Type	Returns (inches)
Single Traverse Rod	4 ¾
Double Traverse Rod (over)	7

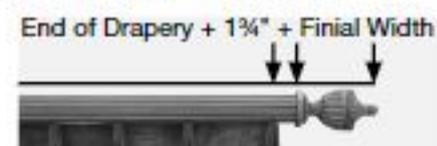

## Wood Cap Size Considerations

When ordering the width of a Decorative Traverse Rod with returns consider the Wood Cap will extend beyond the width of the drape by ¾".

## Finial Size Considerations

Horizons Decorative Traverse Rods are available in all the styles and colors of the 2" Wood Collection. The finial will extend beyond the end of the drapery by 1 ¾" plus the finial width. For Finial dimensions see page 1.

# 1½" Treasures Collection Specifications & Options

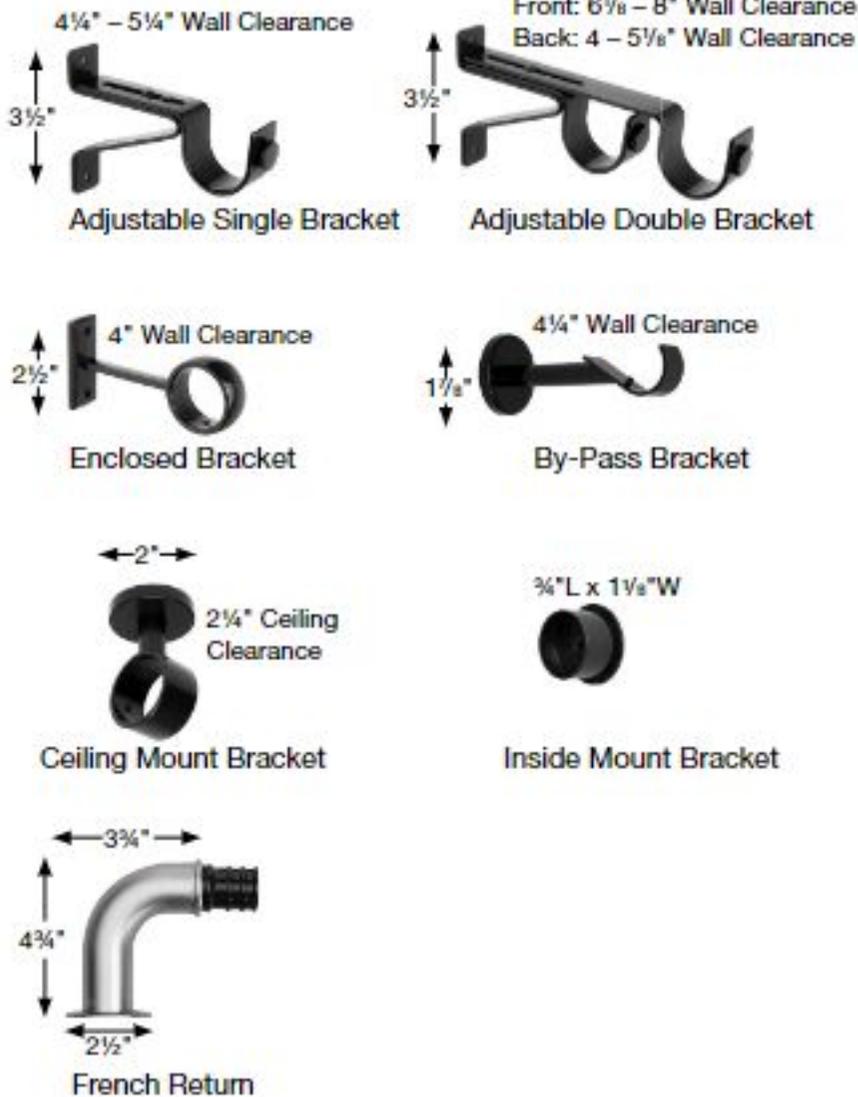

## Collection Sets

Treasures poles are custom cut to the exact size ordered and come complete with the rod, finials, brackets and screws.

Rods, finials and brackets may also be purchased separately.

## Bracket Sizes

Each set includes adjustable single brackets standard

## Spliced Rods

Black, Matte Gold, Oil Rubbed Bronze and Pewter rods over 144" will come as two pieces with a splice. Brushed Nickel poles over 120" will come as two pieces with a splice.

## Bracket Counts

Each set comes with the following number of brackets based on width. Additional brackets are available.

Widths (inches)	# of Brackets
48	2
72	3
96	4
144	5
192	7

## Accessories

Rings, tie-backs, color-coordinating metal batons and adjustable corner connectors are priced per item and ordered separately from the sets.

## Construction Information

The poles, finials, rings and brackets are made from Aluminum, Steel, or Zinc.

## Finial Specifications

Finial Specifications		
Style	Width (inches)	Height (inches)
Antigua	3 3/4	2 1/4
Bonaire	3 3/4	2 3/4
Cay	3 3/4	3
Kingston	3 3/4	3 3/4
Lucia	4 3/4	3 3/4
Maya	1	2 1/4
End Cap	3/4	1 1/4

# Treasures Traverse Collection Specifications & Options

## Treasures Traverse System

Treasures Traverse Rods are cord free baton draw 1½" rods available for Pleated or Ripplefold drapery. They are custom cut to the exact size ordered and include a channel track, finials, brackets and screws. They are available in all the styles and colors of the Treasures Collection.

## Bracket Sizes

Each set includes brackets.

## Bracket Counts

Each set comes with the following number of brackets based on width. Additional brackets are available.

Widths (inches)	# of Brackets
48	2
72	3
96	4
144	5
192	7

## Size Limitations

Size Limitations	
Maximum Width (inches)	192
Maximum Width without Splice (inches)	96
Minimum Width (inches)	18

**NOTE:** The ordered width of the Decorative Traverse Rod should equal the drapery width. See Finial specifications on this page to determine the total width.

## Traverse System Options

- One-way or split draw are available
- Baton draw only
- Available for pleated or Ripplefold drapery

## Ripplefold Options

- Available for Ripplefold Drapery at 80%, 100% or 120% fullness
- Available as overlap or butting

## Pin Settings

Recommended Pin Setting for pleated draperies with a Treasures Traverse Rod is ¾".

## Batons

The Treasures Traverse rods come standard with a clear acrylic baton available at 36", 48", 60" length. Please specify height when ordering.

Metal Batons in the same finish as the track may be ordered as an extra charge option. They are only available at 39½" in length.

## Finial Specifications

Finial Specifications		
Style	Width (inches)	Height (inches)
