

 Vitalé™  
Collection

Custom Fabric Roman Shades & Accessories

Beautiful...  
Seamless...  
Cordless!

featuring

cordless  
**ONE**  
controls™

Soft Treatments by B&W Window Fashions

Cordless ONE Controls™ are standard at no extra charge. In fact, traditional cord lock controls are not an option and are not available.

The Vitalé Collection has over 100 designer fabrics all of which are over 100" wide, so all shades are seamless!

Vitalé offers six custom Roman shade styles including the Classic Roman Shade, Hobbled Shade, Relaxed Shade, Knife Pleat Shade, Ribbed Pleat Shade and the London Shade.

See Cordless ONE Controls™ in action at [www.horizonshades.com/vitale](http://www.horizonshades.com/vitale)

To complete the ensemble, Vitalé fabrics may also be crafted into designer Side Panels as well as four popular styles of Premium Top Treatments.

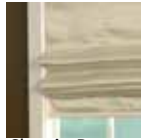

cordless  
**ONE**  
controls™  
patent pending

- Cordless ONE Controls™ add unmatched fashion and convenience to the shade!
- no more ugly dangling pull cords
  - no more difficult to operate cord locks
  - just a simple concealed pull ring that activates the Cordless ONE Controls™

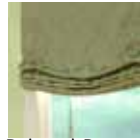

## Shade Styles

Classic Roman

Hobbled Roman

Relaxed Roman

Knife Pleat

Ribbed Pleat

London Roman

## Standard Specifications

- **Cordless ONE Controls™** standard
- Cord lock controls **not** available
- The shade waterfalls off the front of the headrail
- Premium Clear Pine Headrail, wrapped in matching fabric (2-1/2" depth x 3/4" height)

## Size Limitations

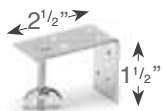

Minimum Width:	18"
Maximum Width:	96"
Minimum Height:	12"
Maximum Height:	108"
Flush IM depth required:	3"
Minimum IM depth:	3/4"

## Stacking Dimension

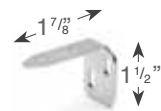

Height	Classic	London/Relaxed	Hobbled	Knife Ribbed
36"	13"	15"	15"	13"
48"	13"	16"	16"	13"
60"	14"	17"	17"	14"
72"	14"	17"	17"	14"
84"	14"	18"	18"	14"
96"	14"	19"	19"	14"
108"	15"	20"	20"	15"

Stacking heights are approximate.

## Installation Brackets

**New York ("NY") Brackets** are standard for all OM and IM installations.

**"L" Brackets** are an alternative OM bracket; not recommended for shades with 6" classic valance.

**2" Screws** are a quick and easy alternative IM installation method.

**Extended New York ("XNY") Brackets** are another alternative for OM, projecting the shade out an extra 3/4".

## Cordless ONE Controls™

B&W's **Cordless ONE Controls™** are a patent pending lift system which completely eliminates dangling pull cords. It is operated with a simple ring pull concealed behind the shade. **Cordless ONE Controls™** are included standard at no extra charge on all Vitalé Roman Shades.

See them in action at [www.horizonshades.com/vitale](http://www.horizonshades.com/vitale)

## UpRight™ Clutch Controls

UpRight™ Clutch controls are a surcharged option on all styles of Vitalé Roman Shades. Minimum width for UpRight™ is 12".

## Lining

Light filtering lining is standard on all shades. Premium lining or Blackout lining may be ordered for an additional charge.

## Additional Options

For detailed information about the 6" Classic Valance, Valance Returns, 2 or 3-on-1 Headrail, Cut Yardage and Hidden Support Rods refer to pages B3-B5 of the Horizons™ Product Guide.
